SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

Dear Sir:

Submitted herewith are patents, publications and/or any other information that may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR § 1.56.

This Information Disclosure Statement is being filed after the first office action and more than three months after the application's filing date, however each item of information contained in this Information Disclosure Statement was cited in a communication mailed from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure statement.

Copies of the references cited on the attached forms PTO/SB/08A and B are enclosed. The English-language equivalent for cited reference DE 19950794 is U.S. Patent No. 6,501,828, a copy of which is not enclosed as it has been previously cited in this application.

A concise explanation of relevance of the items listed on form PTO/SB/08 is not given. The Examiner is reminded that a "concise explanation of the relevance" of the submitted items "may be nothing more than identification of the particular figure or paragraph

of the patent or publication which has some relation to the claimed invention," MPEP § 609.

While the information and references disclosed in this Information Disclosure Statement may be "material" pursuant to 37 CFR § 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR § 1.56(a) exists. It is submitted that the Information Disclosure Statement is in compliance with 37 CFR § 1.98 and MPEP § 609 and the Examiner is respectfully requested to consider the listed references.

Applicants believe that no fee is due at this time. However, the Commissioner is hereby authorized to charge our Deposit Account No. 22-0259 for any fee(s) that should have been submitted herewith.

Dated: March 30, 2007
